**Summer Reading**  
**June 7 - July 26, 2025**

Children, of all ages, are invited to participate in our free summer reading program! Dive into books, join engaging events, and earn opportunities to win exciting grand prizes!

**Key Dates:**

SLC Kickoff: June 7, 2025

Last day to submit reading log: July 26, 2025

- The Summer Reading program aims to provide children with an enjoyable way to continue reading and learning throughout the summer! Our challenge is designed to cater to all ages and reading levels. Parents and guardians are encouraged to assist their children in establishing daily or weekly reading goals that align with their individual needs.
- All types of reading count towards your total: books, magazines, comic books, bedtime stories, and cookbooks. Even when parents read aloud to their little ones, it contributes to the reading time!
- Keep track of your reading progress, and once you've finished, return your reading log to the Library (including any of the four Branch locations) to select a small prize and enter the Grand Prize Drawing.
